

**MAHATMA GANDHI MEDICAL COLLEGE AND RESEARCH INSTITUTE**  
**PILLAIYARKUPPAM PONDICHERRY -607-402**  
**TABLE OF CONTENT**

**YEAR: 2008-11**

<b>Sl. No</b>	<b>DEPARTMENT</b>	<b>NAME OF THE TITLE</b>	<b>Name of the PGs</b>	<b>Name of the Guide</b>
1	Anesthesiology	Comparison of the Quality and Duration of Blockade with Fentanyl or Clonidine as Adjuvants to Intrathecal Bupivacaine in Lower abdominal and pelvic surgeries.	Dr. Diwakaran. R	Dr. N. Krishnaveni
2	Anaesthesiology	Proseal laryngeal mask airway insertion in patients with simulated restricted neck mobility comparison between Gum-Elastic bougie guided and introducer tool as aids.	Dr. Jennyl Maclean	Dr. D.A. Ravishankar
3	Dermatology	Cutaneous manifestations of type 2 diabetes mellitus.	Dr. Kandaswamy. M	Dr. Ambujam
4	E.N.T	Evaluation of Eustachian tube function in chronic suppurative otitis media (TUBOTYMPANIC TYPE) with reference to its treatment outcome.	Dr. K. Priya	Dr. A.P. Sambandan
5	General Medicine	Microalbuminuria in patients with systemic hypertension and in patients with both type 2 diabetes mellitus and systemic hypertension, a comparative study.	Dr. Abhilash Chacko	Dr. K. Raghavan
6	General Medicine	Prognostic factors in ischemic stroke in relation to its outcome	Dr. Anurenj. V.V	Dr. D.J. Jayakumar
7	General Medicine	Comparative study of lipid profile in premenopausal and post menopausal women.	Dr. Shafika Banoo	Dr. Raghupathy

8	General Medicine	Association of postprandial hypertriglyceredemia and carotid intima media thickness in patient with type 2 diabetes mellitus.	Dr. Suseenth Kanna. K.S	Dr. A.P. Selvaraj
9	General Surgery	Diagnostic value of C-reactive protein in Acute Appendicitis.	Dr. Vinoth Kumar	Dr. S. Robinson Smile
10	General Surgery	Morbidity and mortality of perforated peptic ulcer.	Dr. Sheik Abdullah. M.G	Dr. G. S. Ramachandran
11	General Surgery	A descriptive analysis of perforated peptic ulcer cases reported to MGMC&RI [a tertiary care centre]	Dr. Balachandar	Dr. N. Sivaprahasam
12	General Surgery	Incidental Thyroid Carcinoma in patients operated for benign thyroid disease.	Dr. Abhilash. K	Dr. Tirou Aroul
13	OBGY	Efficacy and safety of serial membrane sweeping to prevent post term pregnancy-randomized study.	Dr. Arthy. S	Dr. P. Sabita
14	OBGY	Clomiphene citrate versus letrozole for ovulation induction – A comparative study.	Dr. Mary Angel	Dr. Seetesh Ghose
15	Ophthalmology	Study of incidence & characteristics of retinopathy of prematurity.	Dr. Sreeraaghanidhi. K	Dr. M. Ashok Kumar
16	Orthopaedics	Functional outcome in arthroscopic anterior cruciate ligament reconstruction using bone patellar tendon bone graft.	Dr. Vamsi Kondreddi	Dr. K.R. Thyagarajan
17	Orthopaedics	Analysis of functional outcome following posterior lumbar inter body fusion for spondylolisthesis.	Dr. Muthu Manickam. R	Dr. S. N. Mothilal

18	Paediatrics	Evaluation of efficacy of saline gastric lavage in the reduction of early onset neonatal sepsis in term new borns.	Dr. Ramkumar. U	Dr. V.T. Ramakrishnan
19	Paediatrics	Prevalence of hypertension in adolescent school children in Pondicherry.	Dr. Ratna Dhanaventhana. S	Dr. V.T. Ramakrishnan
20	Paediatrics	Etiological clinical profile of neonatal seizures and short term neurodevelopmental outcome of term neonates.	Dr. Thumjaa. A	Dr. V.T. Ramakrishnan
21	Pathology	Pathology of thyroid Cyto-Histologic correlation a retrospective study.	Dr. Ananthalakshmi. V	Dr. Baba Krishnan
22	Pathology	Pathology of the uterine corpus- A retrospective study.	Dr. Geetanjali Gupta	Dr. Rekha
23	Pathology	The pathology of ovarian tumors a retrospective study	Dr. Shameema Sharfudeen	Dr. Baghyalakshmi
24	Pharmacology	Adverse cutaneous drug reactions	Dr. Padmavathi. S	Dr. Shiva Murthy
25	Pharmacology	Effect of anti-depressants on serum sodium levels – A prospective study.	Dr. Harsha M. Shetty	Dr. Shiva Murthy
26	Pharmacology	Efficacy of intravenous versus oral iron therapy as primary intervention in Anaemia of pregnancy – A randomized study.	Dr. Jagan Mohan. R	Dr. Shiva Murthy
27	Psychiatry	Characteristics of suicide attempters attending a general hospital psychiatric unit.	Dr. Vinayak Vijayakumar	Dr. S. G. Sharma

28	Radio - Diagnosis	Comparison of Magnetic resonance cholangiopancreatography [MRCP] with ultrasound [USG] and computed tomography [CT] in the evaluation of obstructive jaundice.	Dr. Murali Krishna	Dr. M.L. Prakash
29	Radio - Diagnosis	Evaluation of urolithiasis by various imaging modalities and correlating the imaging appearances with the composition of the calculi.	Dr. Ratna Vasanthan. S	Dr. K.C. Saravanan
30	TBCD	Comparison of BODE index and spirometry after medical intervention in COPD patients.	Dr. Ramanan	Dr. Surendra Menon. K
